I, as a parent in the Oshkosh Spartan Softball Club, strive to remember that the club exists to help teach the game of softball in a friendly, supportive environment. My role is to be a supporter of my daughter, her team, and coach in the stands and in public. I pledge to help where needed, including fund raising and volunteering for club activities. I will do my best to get my daughter to practice and games. My role is not to coach from the bleachers, not to be critical of the officiating and not to express negative comments about any player or coach in our club or any other club.
